

BIRD TABLE

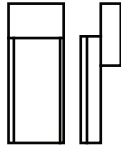

ASSEMBLY INSTRUCTIONS

Please read these instructions carefully before commencing assembly

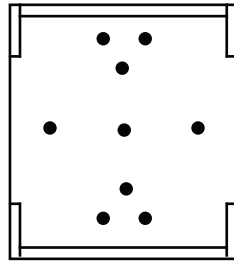

Contents

1 x Roof Assembly

2 x Roof Supports

1 x Table Assembly

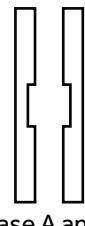

1 x Centre Pole

4 x Legs

4 x Table Support Blocks

Base A and B
2 Holes

Note: You will require a cross head screw driver for assembly

9 x Wood Screws - 50mm

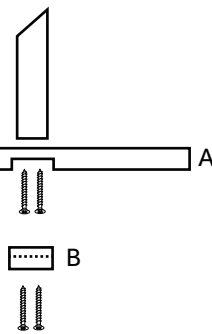

20 x Wood Screws - 35mm

Step 1

Place the base (A) onto the bottom of the centre pole, making sure that it is positioned centrally.

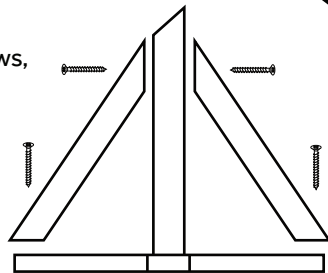

Using 2 x 50mm screws fix firmly through the pre-drilled holes. Repeat the procedure by inverting the base (B) and positioning into the slot on base (A) to form a cross. Fix with 2 x 50mm screws through the pre-drilled holes.

Step 2

Using the 4 x 35mm screws, fix the 4 legs to the centre pole.

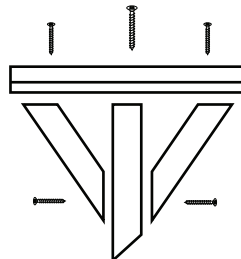

Repeat using the 4 x 50mm to fix the other end of the legs to the base.

Step 3

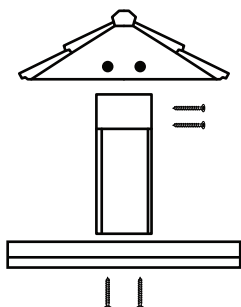

Place the table unit onto the centre pole making sure that it is positioned centrally.

Using 1 x 50mm screw fix firmly in place. Fix the 4 table supports in place on the centre pole and table unit using 8 x 35mm screws.

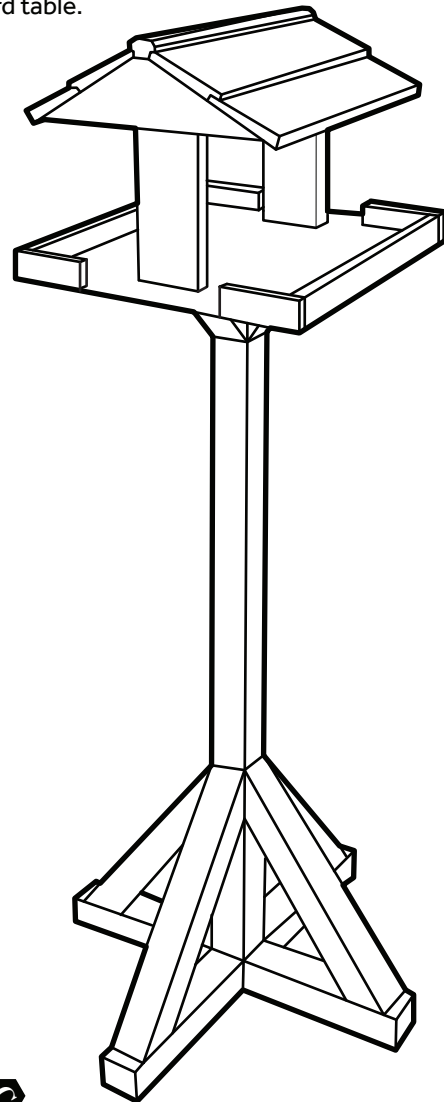

Step 4

Fix the 2 roof supports onto the roof unit with 4 x 35mm screws taking care that they are positioned centrally. Finally, fix the complete roof unit onto the table from beneath using 4 x 35mm screws.

Step 5

Enjoy your new ready to use bird table.

The Hutch Company

This product is British made from traditional material from sustainable timber resources. Wood preservative application is water based and to plant and animal life.
